Shawnee Junior High School
Fort Wayne, Indiana Vol. IV 1975

Experience 75

The '75 school year was an experience for all who attended Shawnee. Our student body was full of ideas for improving everything from art to pep sessions. The *BLUE JACKET* staff has tried to share your experiences with you, and we have put together a record of the '75 school year to remember. ENJOY!

1. Missy McClellan relaxes between volleyball games on the deck.
2. We won!
3. DUBBLE BUBBLE!
4. Pom Pon girls Angie Freeman and Debbie McBride await their cue.
5. Teresa Stukey gives her favorite hood a kiss on '50's Day. SWAK!
6. On your mark!
7. It's my present and you can't have it!

We do not remember days ... we remember moments

Cesare Pavese

1. Many parents came to Back-to-School Night to see how their children's classes functioned.
2. Pep sessions were the source of school spirit. Many people helped make up skits and cheers.
3. 7th graders learned that much hard work and determination is needed to succeed at Shawnee.
4. The latest photographic techniques were used

- in preparing the 1975 *BLUE JACKET*.
5. Officer Garrison spoke about safety to 9th grade driver education classes.
6. The 9th grade football team watched other teams play while waiting for their turn on the field at the Jamboree.

Spirit Week

How does a day of dancing, a day of dressing in the 50's fashions, a day of eating jawbreakers in class, and a day of silence from the opposite sex sound? Pretty good, right! Collect all these days into a week, add a pep session and a game, and you have a Shawnee Spirit Week Special.

The entire school was in the spirit as we decorated for the grand prize home room spirit award. Some of the wildest designs and most elaborate decorations were used—paint, chalk, crepepaper, and even toilet tissue—with a 9th grade class winning the spirit plaque in the end.

Skits, cheers, the band, Pom Pon Girls, and the Spirit Stick for the loudest cheering class (8th grade) were on the schedule at the pep session. At the sock hop everyone did 50's dances to 50's music. A huge crowd turned out for the game, and fans were fired up. The week ended in victory!

1975 Blue Jacket

So ends a year at Shawnee. As we look back on what we've left, we remember bits and pieces that put together will make up our future—a pencil stub, our initials on our desk, and the teacher we really hate to leave behind. We will remember the 74-75 school year, the people, and the good and bad times we had.

The BLUE JACKET Staff wishes you the best in the coming year, the ninth graders who will be going to Northrop, the eighth graders who will be the first graduating class at the new Shawnee building, and the seventh graders who are the last class to begin junior high in Northrop.

BLUE JACKET was a famous war chief of the Shawnee Indians. A white settler who was carried off by Shawnees when he was 17, he was later adopted and given the name *Weh-yah-pih-ehr-sehn-wah* or "Blue Jacket" after the shirt he was wearing when he was captured.
